Non-Individuals may not act as intermediaries or bundlers of contributions.

If individuals engage in “bundling” you are required to follow RCW 42.17A.470 which provides that an individual may not make a contribution on behalf of another person or entity, or while acting as the intermediary or agent of another person or entity, without disclosing to the recipient of the contribution both his or her full name, street address, occupation, name of employer, if any, or place of business if self-employed, and the same information for each contributor for whom the individual serves as intermediary or agent.

Thank you for your cooperation.
